The Red-Nosed Alcoholic: Do We Assume They Over-Consume?

[Click here](#) to read a special holiday edition of Deb Bertrand's *Wednesday Wisdom*. In it, Deb talks about how **easy** it is to **jump to conclusions** about our patients' drinking. Plus, she recommends some **free tools** from the Resource section of our website that you can use to **assess your patients' alcohol use**. These tools are part of our new Health Promotion topic.

Holiday Sale: 20%-Off Medication and Pain Management Courses!

CHAMP is welcoming the winter by offering a **20% discount** on our **Medication and Pain Management courses for frontline managers**. These self-paced courses, which start on January 23, confer CE hours and teach evidence-based practices that **make your team's work easier and more effective**. But don't delay - these special prices are only available **through January 6th** – and there won't be another issue of CHAMP News in 2011. Click on the course name to learn more and sign-up!
