## CHAMP's Newest Resource Topic: "Health Promotion"

We know you've had a patient tell you, "I'm too old to worry about *that* anymore!" [Click here](#) to read a blog post from CHAMP's Lead Faculty, Laura E. Peterson, about a **new tool topic** in our Resource Library: **Health Promotion**. We've added 10 evidence-based tools that can help you work with your patients to adopt **health practice and lifestyle changes** that can help them live longer and healthier lives.

To **download these tools**, visit our [Tools page](#), scroll down, and look for the "New!" label. When you use a tool, please **write a quick review**, so others in the CHAMP community can benefit from your experience.

## More New Tools – for National Influenza Vaccination Week

The CDC has declared **this week**, December 5th to 10th, National Influenza Vaccination Week. **We couldn't be timelier**, because our new tools topic – Health Promotion – includes tools that help with **flu vaccination promotion, flu treatment, and agency pandemic influenza planning**. Remember, to download these new tools all you have to do is visit our [Tools page](#), scroll down, and look for the "New!" label

## Free E-Presentations

**Watch** CHAMP e-presentations **anywhere, anytime**. Each one is developed and narrated by an **expert** on the topic. Take a look today!
