There's Still Time to Register for CHAMP Courses!

Frontline nurse managers can earn continuing education credits from CHAMP's [Geriatric Medication Management](#) or [Geriatric Pain Management](#) courses. Both of these courses are:

- Easy to access – anywhere, anytime
- Self-paced – start and stop at your convenience
- All virtual – no need to travel!

The next **Geriatric Medication Management** course will begin on **Monday, January 25th** and the next **Geriatric Pain Management** course will start on **Monday, February 8, 2010**.

For more information about each course and to register, [click here](#).

The HHQI Campaign is underway

The Home Health Quality Improvement (HHQI) Campaign began on January 13, 2010. This week CHAMP's guest blog post is from **David Wenner, HHQI National Campaign Medical Director**. Dr. Wenner discusses the campaign's efforts to increase communication among healthcare providers across all care settings. To read his post and leave a comment, [click here](#).

Stay tuned for next week's CHAMP NEWS to learn more about the HHQI's first [Best Practice Intervention Package \(BPIP\)](#) that will be released on January 28.
