New Tools Available on CHAMP's Web Site!

The CHAMP team has just added a new topic, Home Care Workforce, to our free Resources. Recruiting, retaining and supporting an effective workforce is one of the strategies for implementing best practice of the CHAMP [Framework](#).

Visit to see how these 5 downloadable [Tools](#), 3 [Evidence Base](#) items and a [Presentation](#) can help you and your agency. Each Workforce item is marked with a **New!** icon.

Person-Centered Care

This week CHAMP's guest blog post is from **Steven Dawson, President of PHI**. Steven discusses how training home care staff to develop relational skills can lead to better person-centered care. [Click here](#) to read his post and leave a comment.
