Use CHAMP as a Resource to Provide Exceptional Care

Val J. Halamandaris, President of the National Association for Homecare and Hospice (NAHC), discusses how the CHAMP website can be utilized as a resource to provide high quality care for patients with its collection of best practices. These best practices allow home care clinicians to learn and improve their skills. [Click here](#) to watch the video post!

One Year Anniversary Special!

In honor of our new web site's one year anniversary, we are offering a **20% discount on all of our CHAMP courses**. The offer begins today and ends on **July 30th** so be sure to take advantage of these special prices right away!

- **\$119 (\$87*) per participant** – Geriatric [Medication Management](#) and [Pain Management](#) Courses
- **\$39 (\$28*) per participant** – [Improving Communication with Physicians Course](#)
- **\$8 per participant** – [CHAMP Best Practice Activity](#)
- **\$20 per participant** - [CHAMP Best Practice Activity - 3 Brief Package](#)

** This rate applies to member agencies of: California Association for Health Services at Home, Home Care Alliance of Massachusetts, Home Care Association of New York State and Pennsylvania Homecare Association*

Just a few of the reasons you should register for a CHAMP course.....

1. Get **practical tools** and tips to make your job easier
2. See **immediate results**; [Listen](#) to what previous course graduates had to say
3. **Improve relationships** with patient care team members
4. **Enhance your skills** to provide exceptional care to the growing older home care population
5. Fulfill **CE requirements** from the convenience of your computer – at work or home!

Top 5 Tools Downloaded

Our comprehensive [resource library](#), the only one of its kind for geriatric homecare, contains over **150 free tools**. These were the top 5 most downloaded tools during the last year. Check them out and be sure to share them with your colleagues!

1. [Review of the Medication Reconciliation Process](#)
2. [CHAMP Medication Management Brief](#)
3. [CHAMP Care Coordination Brief](#)
4. [How to Create a Pill Card](#)
5. [Beers' Criteria for Potentially Inappropriate Medication Use In Older Adults](#)
