The HHQI National Campaign is Continuing!

Great news for all of us working to improve the quality of home health care: the **Home Health Quality Improvement (HHQI) National Campaign is continuing for a third phase!** And the CHAMP community is the **first to hear the news.**

[Click here](#) to read all about it in Campaign Director Shanen Wright's blog post. He also wants your feedback so you can help shape the Campaign's future.

Free Tools from the HHQI National Campaign

We've **just added** more of our **favorite tools** from the HHQI Campaign to CHAMP's Resources. Use these tools to **help your patients avoid rehospitalization and undertake intentional behavior changes** such as for smoking cessation, medication adherence, and the day-to-day management of chronic conditions. To download these additions, visit our [tools page](#), scroll down, and look for the "New!" label.
