## Go Team! Your Patient's Health May Depend on It

[Click here](#) to watch CHAMP Teambuilding Expert **Amber Mayes'** **new video blog**. Amber was reminded the hard way about the importance of teambuilding when her mother was suffering unnecessarily in the hospital. Why? Because the nurses weren't working together! Be sure to watch until the end to hear Amber's **three great suggestions**.

## Developing Strong Homecare Teams: One-Unit Course

Making your team stronger can mean less stress at work and more time and energy to focus on your patients. It can also mean better-coordinated care for your patients. The **Developing Strong Home Care Teams** one-unit course gives you evidence-based tools to diagnose your team's current function, advice to manage conflict, and strategies to work on the issues that can cause frustration. Click on the course name below learn more and to sign-up.
