New Tools: 5 Topics to Choose From

We've just added more evidence-based tools in a variety of topics including **physical function (falls), alcohol misuse, dementia, palliative care, and nutrition**. We've included tools for **assessment**, and information for **patients and caregivers**. To download these additions, visit our [Tools page](#), scroll down, and look for the "New!" label. And when you use a tool, remember to **write a quick review**, so others in the CHAMP community can benefit from your experience.

Last Chance – Save 20% on Medication and Pain Management Courses!

Tomorrow (October 7th) is your last chance to take advantage of a **20% discount** on CHAMP's online **Medication and Pain Management courses** for frontline managers. Learn evidence-based practices that make your team's work **easier** and **more effective**. And you can take these courses, which begin on October 24th, whenever you have the time and wherever you can use a computer. Click on the course name to learn more and sign-up!
